At the FIELD on Grace St, bring a heli!!!

From the Executive Offices

All Club members,

The June meeting was very short it got called to order at 7:01 and ended at 7:09, only 8 people were there.

There was no raffle and no pizza, we talked about Al's fun fly and the Todd Bennett school. Unfortunately, that is not happening now. Todd blew out his knee and will not be able to make it.

Thanks Cindy

For those who missed out:

You missed another good one. Cindy's Fun Fly has come and went for another year. The weather tried to play tricks on us, but we held out and had $1\frac{3}{4}$ days of great flying and fun. From Malorie to J-Rock to the youngest of pilots, everyone had a good time. The flightline was stuffed most of the day with talented pilots.

Free giveaways during the day Saturday of Hats, shirts, towels.....

If that wasn't enough Chris(Al's Hobbies) put on a couple very nice Aerobatic demos with a DR-109 plane until some ignition problems got the better of him on Saturday.

And if that wasn't enough.....the FOOD was fantastic. No shortages there on food, we ate like there was no tomorrow. Chicken, pasta, barbeque sided with various dishes and cake for dessert.

And if THAT wasn't enough.....the pilot prizes were again this year spectacular.

So to sum it up: if you missed it, you missed it. It'll be back next year, I'm sure of that.

Mark your calendars as soon as the date gets set because you won't want to miss another.
