A note from the Prez:

All Club members,

We are in need of a CD and help for the Fall Fun Fly if we are going to have it at the Irving Park and Cumberland field. Larry will be unable to CD it if it is there. Since the membership wants to move the event, then we have to come up with a plan. I will show up, but I will be unable to CD it. This creates a problem. Bring your ideas to the meeting or give me a call at the store.

Also remember the meeting is at the store, then next month at the field

Thanks, the Prez
