Next Club Meeting, 7:00 pm, Tuesday, June 10th, 2008

At the Grace Field, weather permitting

I need all of the NIRCHA members to stay inside for the month of June, especially the 20th and 21st. Sit back, relax and watch some TV reruns. What you don't want to do is come out to the Fox Valley Aero field and take part in one of the biggest heli events in the Midwest. The sounds of helis, the smells of barbeque, chicken and spaghetti, the camaraderie and the potential for fun is too much for most people to endure. I, on the other hand, will be there both days with my 7 yr old. He has been looking forward to "helping" Cindy again all Spring. I'm going to win the biggest prizes, fly the most flights and eat the most food(as long as I'm the only one there).

Presidential Address

All Members,

Remember that the June meeting is at the field. Come one, come all. It will start at 7 pm sharp, so people can fly first. Also, depending on the amount of people we will have pizza there. Mark your calendar for *Al's Fun Fly June 20-21*. The great prizes are already rolling in.
